Wroolaw (Breslau)

There are four groups of MVD troops; strength of each group - 150 to 200 men, and about fifty officers each.

The 33rd Infantry Regiment is stationed in Wrocley (last reported in Chorsov in April 1946); the regiment is partly demobilized.

Prochow

This is an assembling station with an average of 800 men, although the number varies. Occasionally there are as many as 2,000 - 3,000 (from transports).

Lesnice

There is a reserve tank regiment, composed of eight to twelve companies. The etrength varies from 900 - 1,200 men.

Rychbach (Reichenbach)

There is a reserve infantry brigade; the strength varies from 6,000 - 8,000 mem.

Brace (Brieg)

Northeast of the town there is a reserve infantry regiment with a variable strength of about 3,000

men.

let Engineer Regiment. Strength: 110 officers, 62 NCOs, and 400 men.
